#### Outlook On Fall Semester:

"I have been proud to have been a member of this chapter for almost four years and have previously served as the Gamma-Kappa risk manager and Grand Procurator. During the first half of my term as Grand Master of the Gamma-Kappa chapter we as a chapter raised our average GPA from 2.92 to 3.52. Serving this chapter and being a part of this brotherhood has been one of the greatest honors I have had in my life.

Looking forward to the rest of this fall semester I am making it my top priority to ensure that Gamma-Kappa's average GPA continues to stay above the university average. In addition to keeping all members safe and healthy in these unprecedented times per our COVID guidelines, I will be working closely with Mike Stanaro our current GMC to reach out and connect the chapter with more alumni and bring back the large support network that helped us get to where we are now in just a few short years. Although everything may currently seem bleak, I see a bright future ahead for this chapter and will continue to help the brothers that will lead this chapter into the next year."

#### Outlook On Fall Semester:

"This being the second half of my term as Grand Procurator, I want to ensure that I have accomplished everything I set out to accomplish from the beginning of my term. One of those things being better communication between EC and chairmen. I have been ecstatic to see a stronger relationship form with our current chapter and alumni brothers! I am very hopeful for the future of the Gamma-Kappa chapter of Kappa Sigma!"

# GRAND MASTER OF CEREMONIES

## Mike Stanaro ('17)

**Phone:** 925-818-3095

**Email:**  
mstanaro99@gmail.com

**Hometown:**  
San Francisco Bay Area, CA

**Major:** Economics

**Minor:** Entrepreneurship

**Expected Graduation:**  
May 2021

### Outlook On Fall Semester:

"Coming off a great year for the Gamma Kappa chapter's undergraduates (except for COVID), my first goal was to make sure we continued our success and secured a great rush class even amidst COVID. I'm proud to say we rushed a top 3 rush class with a group of quality guys including multiple legacies! I'm looking forward to seeing the great things these guys bring to the house and for them to get more involved over the next semester.

My main goal for the rest of this semester is to work on Alumni relations. For the past couple years we have had less alumni involvement with our chapter except for a select group of alumni who I am extremely grateful for. I'm looking to change that and see more of our alumni coming back to the house and getting involved with our chapter. Alumni are integral to the success of this house and I believe more alumni involvement would be the extra fuel to boost us to the top house spot. If you are an alumni and looking to be more involved please reach out to me, I would love to meet more of you guys. We will also be throwing some events this year for alumni so they can come out and meet more of the guys.

Not for a day, or an hour, or a college term only, but for life.  
AEKDB"

# GRAND TREASURER

**Phone:** 214-616-0530

**Email:**  
jhouston@ou.edu

**Hometown:** Dallas, TX

**Major:** Finance

**Expected Graduation:**

### Outlook On Fall Semester:

"As treasurer, I hope to foster a transparent relationship with the chapter. I want to work collaboratively with the chapter to see where they want money allocated. With one semester under my belt, I feel like I have a good grasp of handling the chapter's finances. The challenges of 2020 have brought unprecedented changes within a fraternity but I'm determined to leave my position better than how I found it regardless of what comes our way. All in all, I will continue run this office with integrity and diligence."

# GRAND SCRIBE

## Ben Crawford ('18)

### Outlook On Fall Semester:

"During my time serving as Grand Scribe throughout the past semester, it blows me away to look back and see how much has changed.

It is a time of great uncertainty but we, as a chapter, are making the adjustments we need to be on the right track and taking the precautions necessary to be safe. As I finish my term as Grand Scribe, I will continue to look for ways to help this house in any way I can."
